BMF WHEELS

BMF LEVELING KITS

LEVEL YOUR RIDE

BMF leveling kits are built in the USA using only premium 6061 T6 aircraft billet aluminum and 10.9 rated mounting hardware. BMF leveling kits are all bolt-on applications maintaining factory ride and factory alignment specifications. No cutting or drilling is required when installing our kits. All leveling kits are anodized black and are engraved with our BMF logo. We precisely engineer features into all BMF leveling kits to ensure the right leveling kit for each application.
